

# Solar Water Heating Application Checklist

Thank you for your interest in FPL's Solar Rebate Programs! During the next rebate cycle, FPL will take online applications for rebates on a first-come, first-served basis. Demand for these rebates is expected to be high, so the better you are prepared, the more likely it is you will secure one. If you have not already done so, please follow the recommended step-by-step process for your rebate program, found on [www.FPL.com/solarrebates](http://www.FPL.com/solarrebates) and on the next page of this document. **Please be prepared to enter every item on this checklist into the online application.**

## Customer Contact Information

First Name:	<input type="text"/>	Last Name:	<input type="text"/>
Primary Phone Number:	<input type="text"/> - <input type="text"/> - <input type="text"/>	Extension:	<input type="text"/>

# Step-by-Step Process for Solar Water Heating Rebate Application

---

## 1 Get informed

- » Review the program standards and requirements on [www.FPL.com/solarrebates](http://www.FPL.com/solarrebates)
- » Do your own additional research as needed.

## 2 Evaluate your options\*

- » Identify one or more licensed contractors of your choice and schedule meetings to discuss your options.
- » Get estimates, select a final contractor and secure a final quote.
- » Work with your contractor to complete all fields on the application checklist. *Be prepared to enter every item on the checklist into the online application.*

## 3 Get ready

- » You will need to log-in to your account on [www.FPL.com](http://www.FPL.com) in order to apply for this program, so you should [register for online access](#) to your account if you do not already have it.
- » Be ready to submit your application at [www.FPL.com/solarrebates](http://www.FPL.com/solarrebates) during the next rebate cycle.

## 4 Get set and go

- » FPL will review your application and notify you of acceptance or deficiencies within three business days at the email address that you provided.
- » If accepted, you will receive an email from FPL with your reservation number and the quantity of funds reserved for your application.
- » From the date your reservation is sent, residential customers will have 90 days and business customers will have 120 days to have your system installed and inspected and submit final documentation to FPL to receive your rebate.

## 5 Claim your rebate

- » When the installation is completed and approved by your local authorities, submit the following documents to FPL by email at [SolarWHResRebate@fpl.com](mailto:SolarWHResRebate@fpl.com) (residential customers), [SolarWHBizRebate@fpl.com](mailto:SolarWHBizRebate@fpl.com) (business customers) or by mail to: FPL – Solar Rebates – CSF/CB / P.O. Box 29311 / Miami, FL 33102. Keep copies for your records.
  - The FPL Rebate Certificate (can be downloaded at [www.FPL.com/solarrebates](http://www.FPL.com/solarrebates)) with the customer's signature;
  - A signed purchase agreement contract for the purchase of the solar water heating system;
  - Digital photos of the installation, as well as photos of the installed collector showing a clear view of the affixed collector nameplate(s);
  - A copy of the contractor's invoice; and
  - A copy of the appropriate final passed permit(s), indicating that the date of the permit(s) application was after the rebate reservation date.
- » Please note that FPL reserves the right to request additional documentation and/or a site visit to verify the installation prior to rebate payment.
- » FPL will notify you via email when your documentation is approved and your final rebate amount is confirmed.
- » FPL will mail the rebate check to the mailing address you submitted on your application. You will receive the check within six to eight weeks.

\* FPL does not endorse or recommend any individual installers for any of its programs, nor does FPL bear any responsibility for the quality or performance of any products or contractors chosen or hired by the customer. Customers should choose products and contractors carefully, given the many variables involved. The decision to select, hire and the management of the contractor that will install the eligible products is the customer's sole responsibility. FPL bears no responsibility for the quality or performance of any products or contractors chosen by the customer. There are many installers in Florida with varying levels of capability and experience. Please check to make sure the work performed by your contractor meets all applicable licensing and building code requirements.
